## EXPERIENCE

**The Tatkon Center for First-Year Students: Student Manager**, Ithaca, NY

August 2016 - Present

- Enhanced promotion for student programming as Publicity Coordinator through social media and newsletters. Increased Facebook reach 10x in one semester.
- Systematically analyzed publicity techniques through A/B testing to determine most effective promotional methods.
- Assisted Freshman students with the transition to university life through social, academic, and pre-professional programs.

**University of Virginia Center for Politics: Intern**, Charlottesville, VA

Summer 2016

- Collaborated with Professor Larry Sabato on various programs, such as the 2016 American Democracy Conference and Prof. Sabato's course, *PLAP 3500: The Kennedy Half Century*.
- Organized the 18th annual Virginia Political History Project for hundreds of Charlottesville-area youth to increase youth civic engagement.
- Edited and contributed to the production of the latest Center for Politics documentary, *I'm Feeling Good About America*, which discusses the 1976 presidential election.

**Fairfax Collegiate: Instructor**, Various Locations, VA

Summer 2016

- Instructed students ages 7 through 14 as part of a regional summer enrichment program.
- Taught courses such as Android App Development, Mobile Game Development, Lego NXT Robotics, Public Speaking, and Debate.
- Developed curricula, course materials, and games to engage students in challenging content.
